

Record Sheet 18

Dispatch

This document may be used when a consignment of digestate is dispatched from the AD Plant or storage facility to the user of the materials.

The product / quality digestate:

- Is for use solely in designated market sector applications: 'This product / quality digestate shall not be sold or distributed for use, or used in any markets other than specified.'
- Must be used in accordance with good practice guidelines; and
- Must not be in any circumstances be blended with any waste material. If material is blended with waste, then the mixture becomes a waste and is regulated as such.

SUPPLIER

Company name:		Order number: (optional)	
Office Address			
Telephone		Fax:	
Email:			
Website			

Anaerobic Digester site address (if different to office address):	
--	--

CUSTOMER

Name or I.D. code:		Order number: (optional)	
Delivery address: (optional if recorded elsewhere in connection with customer name/I.D. and order number)		Intended Use: (agric / forestry / land restoration)*	
Office address: (if different from the delivery address)
